

CENTRAL SOUTHERN CLASSIC FLYING CLUB

2024 RACE PROGRAMME & INFORMATION

The October Classic Committee was held to discuss the 2023 season and prepare for racing in 2024. There has been much talk of organisations needing to join together to save on costs, so between ourselves, the British Barcelona Club and the British International Championship Club that is what we have done. We are also welcoming anyone else who would like to jump on board with us and fly the channel.

In the old bird race programme for Nort Sur Erdre, Pau and Bordeaux we will be joining with the BBC and BICC, for Messac we will be working with the BBC.

The young bird/ old bird programme will see the three organisations travelling to Fougères together and for Guernsey YB/OB it will be ourselves and the BBC.

There is now a WhatsApp group for all the latest Classic Information members can join by opening this link: <https://chat.whatsapp.com/GIrmIoUBJwLDFmM0Rwrba4>

Marking Stations

The Marking stations will be:

Pau International: – Southampton and Sunbury.

Carentan & Guernsey YB/ OB: – Frome, Steventon and Southampton. You will also have the option of Ironbridge and Bovington for this race.

Fougères and Messac: - Frome, Higham, Ironbridge, Southampton and Steventon.

Nort Sur Erdre, Bordeaux and Fougères YB/OB: All BICC marking stations will be available for our members to use.

GLOUCESTERSHIRE. Anner Smith is willing to run a feeder service for any member in the Gloucestershire area who would like to send. All you would need to do is drop your birds and clock

to the designated place to meet Anner and then he would drop your basket and clock back to the same place once marking is over.

PAU – For Pau, Clive Merrills is willing to run a feeder service for members in his area. More details to come.

Subscriptions for 2024 are £30.
